

# Rich Troberg's 1936 Ford Pickup Project

November, 2020

Awakening after 30 years under the tarp!!

Farm fresh from Yakima.

In rust we trust.

Where to start?

Start here, this is the worst.

Interior and frame get some paint.

There's metal under the rust!

July, 2021

The work is progressing!!

August, 2022

Engine going in. This is a 21-stud salvaged engine I got from Dick Jauch.

Dash nearly complete!
